Certificate of Release of the State's Lien on Public Works Contracts

With this letter, the Washington State Department of Labor & Industries approves of your release or payment of the contract amount retained from the following contractor ---

GREEN CONSTRUCTION INC
PO BOX 142
WASHOUGAL WA 98671

867,729-01 601 769 655

--- related to the following public works contract:

WRG TRAIL OVERLOOK TERRACE
P-893

This approval is for workers' compensation insurance premiums only.

L&I's prevailing wage section separately requires all contractors on the project file an affidavit of wages paid. These affidavits must be approved before retainage can be released.

In our opinion, all workers' compensation insurance premiums, increases, and penalties due to L&I from this contractor have been paid in full or are readily collectible without recourse to the state's lien on the retained percentage.**

This letter's sole purpose is to communicate our release of the state's lien to the public official responsible for paying or authorizing the payment of public funds to the contractor named above.

If we later determine that the contractor owes additional premiums related to the above-mentioned contract or other activities, the contractor is still liable for payment.

Dated March 12, 2016 at Olympia, Washington.

** Title 51 RCW authorizes L&I to collect workers' compensation insurance premiums, increases, and penalties. Chapter 60.28 RCW establishes L&I's priority regarding this lien. Chapter 39.12 RCW addresses L&I's requirement for affidavits of wages paid.
