

IQ Credit Union 10 Minute Parking Request

July 2017

“We are in the planning process to add a boutique branch in the lobby of the iQ building located in Downtown Camas. When I use to work in Camas there was a 10-15 minute only parking spot located in front of Café Piccolo. Can you please share with me the steps necessary to get 1 or 2 of those signs somewhere around the front entrance.” – Hillery Losli, IQ Credit Union
