Also for the purposes of subsection (a) above, measurement of the 1,500 foot distance shall also include religious institutions, schools, public parks, residential district, other smoke lounges, or other smoke shops, which are located in an adjacent city, township or rural land area and which are within the 1,500 foot distance of the nearest property line of the property sought to be used as a smoke lounge or smoke shop within the City of Haltom City.
4.
