## EXHIBIT "A"

### FACTORS TO BE CONSIDERED AZ14-0003

#### Zoning Code Amendment

1. The public health, safety and welfare would not be adversely affected by the proposed Zoning Code Amendment, because dog boarding and care already is allowed within the M-1 and M-2 zone in association with an animal hospital/veterinarian office as an accessory use. The amendment would now allow dog boarding and care as a primary use within the M-1 and M-2 zone through the Conditional Use Permit process. Each request would be evaluated on a case-by-case basis through the CUP process to ensure the public health, safety and welfare would not be adversely affected, and appropriate conditions applied as necessary.
2. The proposed Zoning Code Amendment would not be detrimental to surrounding properties because the zoning category is not being changed. The property involved would be suitable for the uses permitted by the proposed zone because dog boarding already is allowed as an incidental use within the M-1 and M-2 zones. The request now would allow dog boarding as primary use within the M-1 and M-2 zones where more intensive indoor and outdoor uses are directed and allowed. Dog boarding would require a discretionary Conditional Use Permit to be approved to ensure compatibility with adjacent properties.
3. The proposed amendment to allow the boarding of dogs and cats within the M-1 and M-2 zone would be consistent with the goals and policies of the General Plan because it would not diminish the Quality-of-Life Standards of the General Plan, nor adversely impact the community health or natural resources. The proposal would be consistent with the General Plan Economic Prosperity Goals that encourage a wide range of businesses that create and sustain a strong economic base and provide for the full employment of a diverse set of skills. Dog Boarding would provide a needed service for Escondido residents.
4. There are no Specific Plans that would be affected by the proposed code amendment.
