This project consists of upgrading the water and sewer systems on Franklin Street between 15th and 19th Avenues to meet current design standards including: installation of (20) new larger 1" copper water services; replacement of (2) sub-standard fire hydrants; upgrade of 750 lineal feet of 12" concrete sanitary sewer main to PVC piping; upgrade of (20) of concrete lateral sewer services to PVC piping; new ADA facilities fitted to existing sidewalks; replacement of deteriorated sidewalk panels; and reconstruction of approximately 750 feet of roadway.

In consideration of the benefits to be derived from this Contract, the County agrees to provide CDBG funds to the Contractor for the project described herein and in the Contractor's proposal and according to the project budget and terms in this Contract. The Contractor shall follow the procedures contained in the current edition of the Clark County CDBG Procedures Manual. In the event the Contractor fails to follow these procedures, the County may treat such as a breach of this Contract which shall be handled according to the Corrective Action section in the Basic Interagency Agreement.

PERIOD OF PERFORMANCE, CONTRACT PERIOD AND EXPENDITURE SCHEDULE

1. Subject to its other provisions, the Period of Performance and the Contract Period are as shown on the Contract face sheet, unless changed in a Contract modification or the Contract is terminated as provided in the Basic Interagency Agreement or in this Contract.
2. All services must be provided, all CDBG funds shall be expended, and all billable costs incurred within the Period of Performance. Billings shall be submitted in accordance with the schedule in the Payment Procedures section of the Special Terms and Conditions. The Contractor shall have until the final day of the Contract period to submit reports and complete non-billable end of contract activities.

The use of these funds shall be expressly limited to the activities described in this Agreement. The Contractor shall draw down County CDBG funds in proportion to other project funding.

The Contractor will apply the funds received from the County under this Agreement in accordance with the Budget Summary and the Statement of Work. Any itemized cost category expenditure that will exceed 10% of its allocated CDBG funding will require an Agreement

modification. Requests for budget revisions will be in writing and will specifically state the reasons for the requested increase and, if applicable, a justification for the corresponding decrease in another category.

The Contractor agrees to allow the County to make adjustments to the individual budget lines of this Contract when necessary and in the interests of both parties. In the event that the County needs to adjust the stated budget amounts specified in the Statements of Work of this Contract, the Contractor grants the County the right to unilaterally modify said budget lines by issuing a contract amendment that, provided the total contract amount remains unchanged, will not require the signature of the Contractor.
