MASTER PLAN IMPLEMENTATION

As subdivisions of the PRD occur, the Master Plan will be updated to graphically depict the subdivisions on the Master Plan.

NOTE:

The precise location and number of units within the pods are approximate due to the preliminary nature of the design. While unit numbers per pod may change, the total number of units of the proposed Mixed Use Master Plan will not be exceeded (except as provided for in section 5 of the Development Agreement), absent express consent from the City after appropriate regulatory process.
