Good morning, Stacy.

Three hard copies of everything please. Any, yes I will waive the 180 day pre-app since you are so close and nothing have fundamentally changed out there. Thanks and looking forward to it.

Regards,

Robert

Good Morning Robert!

We are getting ready to submit the Preliminary Application for Green Mountain Phase 2 and anticipate that will be next week. I couldn't find a checklist for Prelim and saw in code where the director specifies how many copies of the Application should be submitted.

I assume you want an electronic copy of everything on disk but was wondering how many paper copies of everything you want.

I'm also assuming, since you're waiving the requirement for Pre-App notes, that we don't need to be concerned with the timing of the informal pre-app (march 24, 2016) and that we've exceeded the 180 days to the Preliminary submittal.

Thank you Robert!
