## Goodwin Road Parking lot expansion

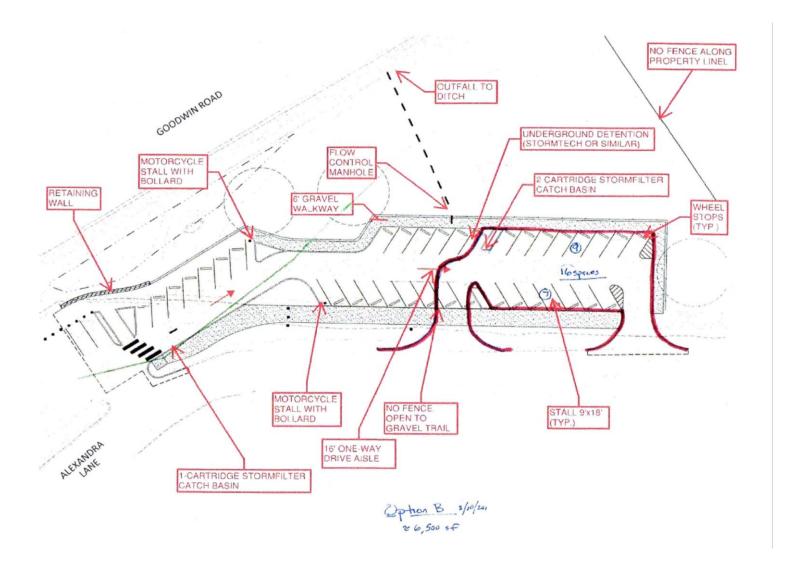

1 acre - \$150,000 Preliminary 32 spaces est. \$250,000

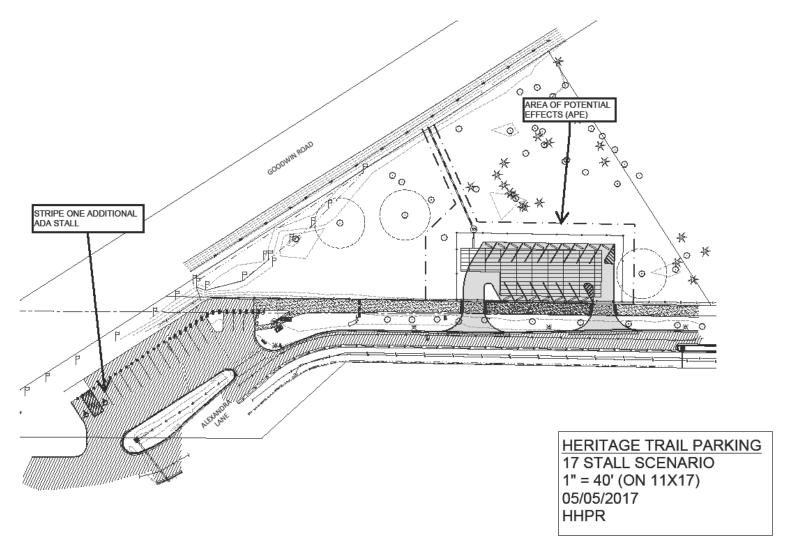

52 spaces Est \$680,000

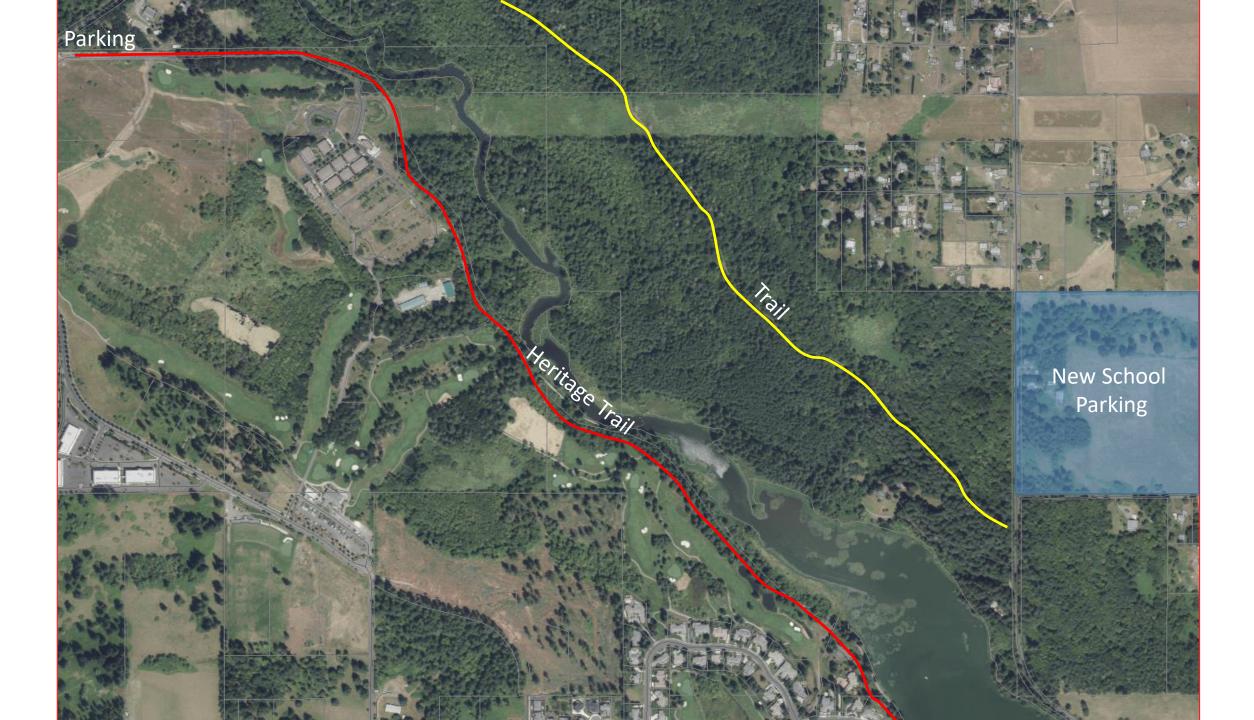

## Parks Commission guiding principles

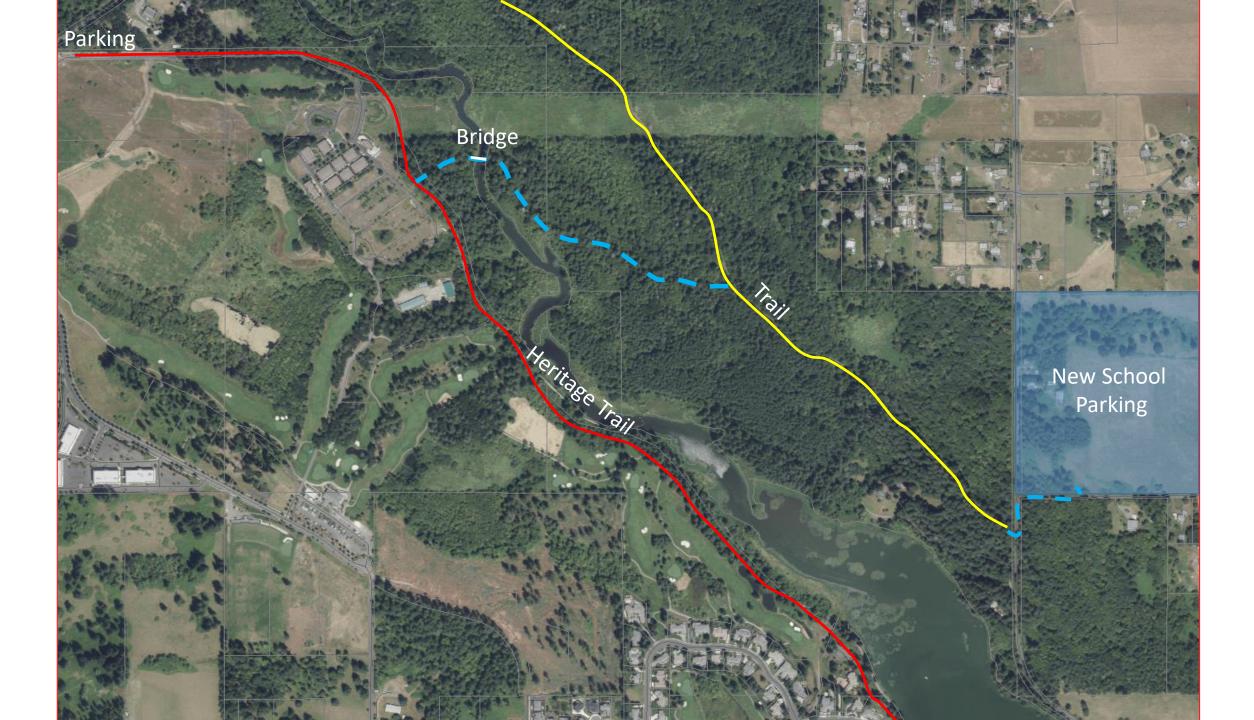

- 1. At least double number of spaces
- 2. Design for easy expansion
- 3. Stay within budget \$400,000

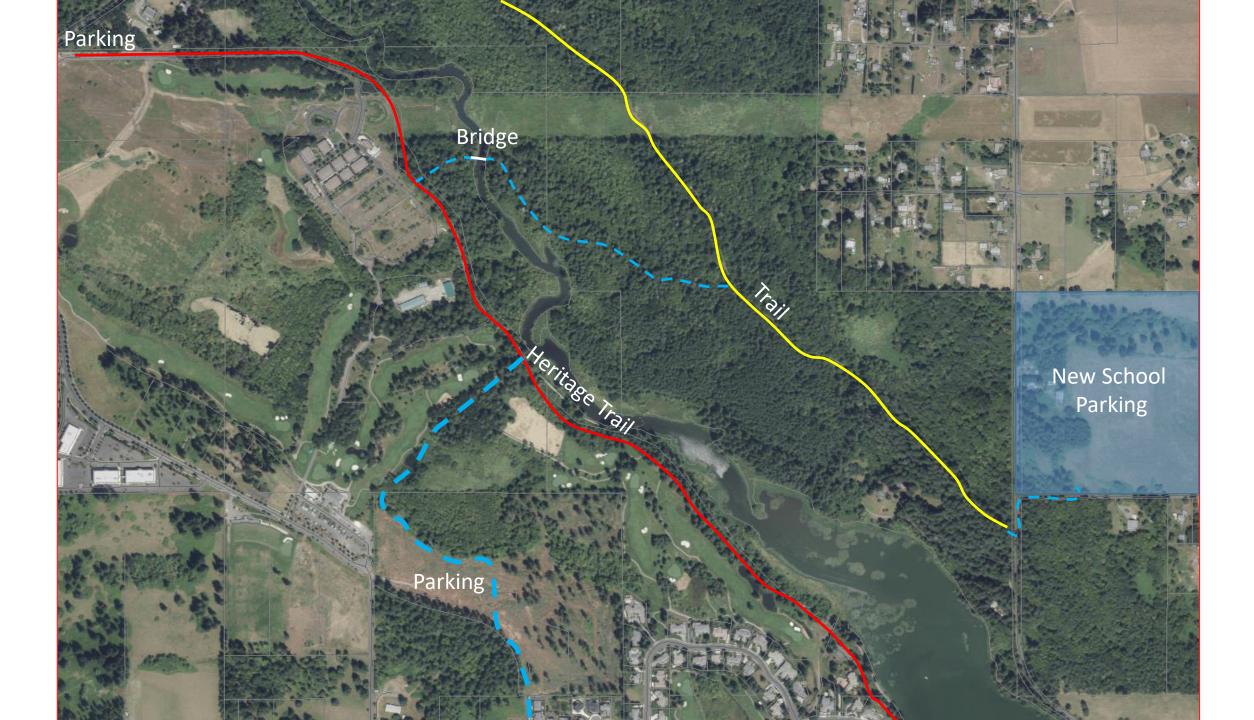

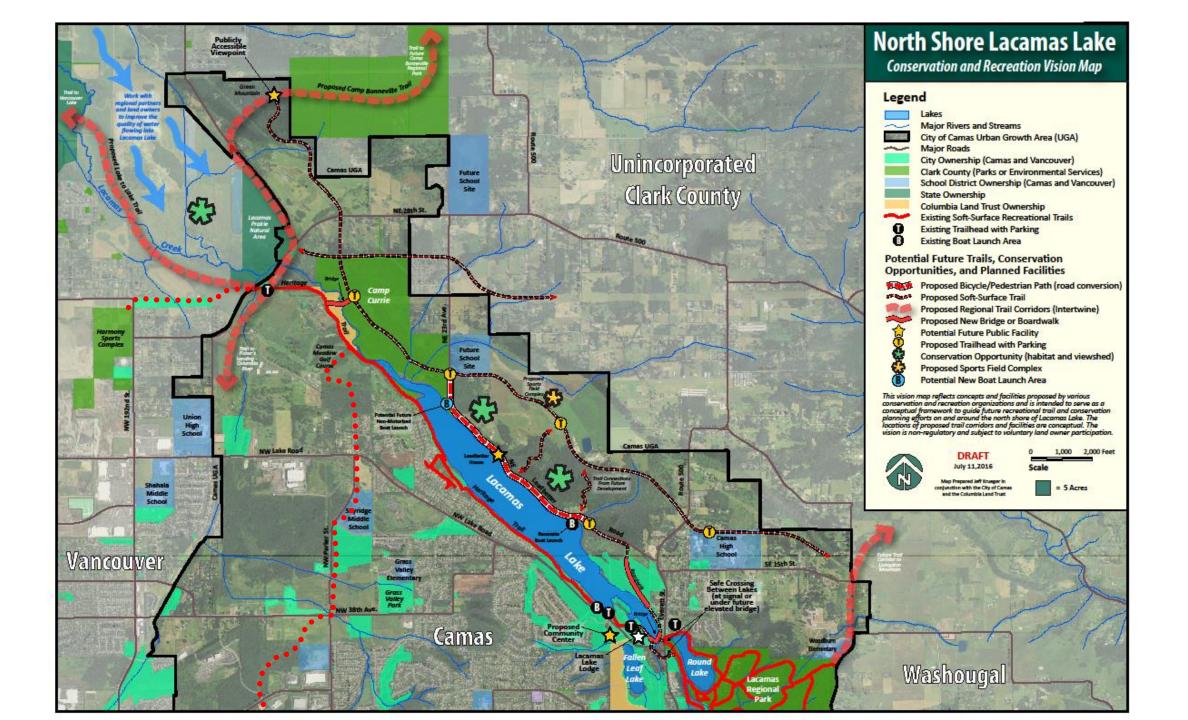

Current est. \$480,637 17 spaces Site constraints makes expansion difficult

## **Alternative**

## What's next?

- Finish engineering work on the Goodwin trail head project.
- Put the project on "pause".
- Explore the feasibility of the Camp Curry trail expansion.
