

I would really like to get a forum together to discuss parking options for business owners in downtown Camas. It would be ideal to be able to purchase a year long parking pass, because we have to be here EVERY SINGLE DAY, ALL DAY. The current parking situation is very challenging & frustrating.

This letter came in the mail. Not sure if you want to address with Parking Advisory Board or not. Thought I would pass it on just in case. Tami has a copy as well.

Thanks

Stephanie
