Subject: FW: Parking in Downtown Camas

Hi Katie,

I received your request. The City of Camas has an appointed Parking Commission. We are forwarding your request to that committee to review your request and make a recommendation to City Council.

Thank you,

Pete

Subject: Parking in Downtown Camas
To: "City Council Members (GRP)" <CityCouncilGRP@cityofcamas.us>

Dear City Council Members,

I have been living in downtown Camas for 9 months now. It's a wonderful place to live; however, during my time living here my boyfriend and I have accumulated three parking tickets. I have grown up in Camas my whole life and I am in full support of the city, but finding parking for where I live and moving my car every two hours has been quite a task.

I'm hoping that there is a quick and easy resolution to my problem. Possibly the solution is a certain place I can park or exemption from tickets in a designated location? I understand the solution is fully dependent on your decision and am more than happy to attend an upcoming city council meeting if necessary.

Please let me know how you would like me to proceed or give me a call or email response if you have any additional questions.

Thank you for your time.

Best Regards,

-Katie DeVore
