Hi Robert,

That date does not work. Per the State vs Grays Harbor decision, and as stated in my appeal, I have until June 6th, 2018 to amend, add to or modify my appeal. I also suspect other Awbrey Glen residents will file new appeals on June 6th.

Thanks,  
Mitch

18.55.165 - SEPA threshold determinations and consolidated review.

- A. Notice of Threshold Determinations. Under a consolidated review, notice of a threshold determination will be mailed to those agencies, individuals, or entities submitting comment within the comment period, and to all owners of record of the subject property, and all owners of real property generally located within three hundred feet of the subject property based on Clark County GIS records. Where a notice of public hearing is required, the threshold determination may be combined with such notice. An applicant is responsible for submitting a certified list of the property owners to be notified, and mailing labels of this list.
- B. Public Hearing on Project Permit. If an open record predecision hearing is required for the underlying project permit application, the city shall issue its threshold determination at least fifteen days prior to the open record predecision hearing.
- C. Consolidated Appeals. All SEPA related appeals, other than a DS, shall be consolidated with the open record hearing, or appeal, if any, on the underlying project application.
