

Staff Report

March 18, 2019 Council Workshop

NE Everett Street Parking Restriction

Staff Contact	Phone	Email
James Carothers, Engineering Manager	360.817.7230	jcarothers@cityofcamas.us

PURPOSE: Residents of Lacamas Pointe subdivision enter and exit their property from NE 39th Avenue off NE Everett Street (SR 500). The City has received complaints about sight distance at this intersection. Staff has received a request to restrict parking on the east side of NE Everett Street south of the intersection.

Staff has conducted a sight distance study of the intersection. Staff finds that cars parked to the south reduce the sight distance below the recommended minimum for an intersection (AASHTO "A Policy on Geometric Design of Highways and Streets" 2011 Edition.) Staff has contacted residents in the area and has received no objection to the proposed parking restriction.

RECOMMENDATION: Staff recommends that a "No Parking" designation should be imposed for 75 feet directly south of NE 39th Avenue on the east side of NE Everett Street. If Council desires, staff will present a resolution to impose this restriction at a future Council meeting.
