**INTRODUCTION/PURPOSE/SUMMARY:** The City has selected Wallis Engineering Inc. to provide professional engineering services to design the rehabilitation project for the Gravity Thickener for the Wastewater Treatment Plant. The Gravity Thickener has sustained excessive corrosion due to high concentration of hydrogen sulfide.

**BUDGET IMPACT:** Total cost of \$62,293.64. The Water/Sewer fund has budget available to complete this work.

**RECOMMENDATION/RECOMMENDED ACTION/ACTION REQUESTED:** This item is for Council information only. Staff recommends this item be placed on the September 3, 2019 Consent Agenda for Council's consideration.
