Subject: Vutukuri Duplex

Dear city of Camas:

I live at 1250 NW Benton St. I am against the building of the duplex since it will take out 3 parking spaces on Benton St. Already the street has limited parking since there is only parking on one side of the street. Also I can't believe the city would approve a duplex built on a lot that takes up 95% of the lot.

Sincerely,
Paul Herigstad
