**Title:** Authorized the Fire Department to surplus outdated fire apparatus (1998 ALF ladder truck, 1988 Seagraves pumper and a 1978 Mack pumper) and to list for them for sale. Following the completion of the merger/contract between Camas and Washougal, there is an excess of old and obsolete fire apparatus that are expensive to maintain. Additionally, few meet current minimum safety standards. The department is recommending use of a national advertiser to list the vehicles for sale. (Submitted by Nick Swinhart)
