Title: 2035 Vision Statement
Details: Over the past six months, under the guidance of the Vision Steering Committee, hundreds of community members have participated in two rounds of Camas 2035 outreach activities. The purpose of the first round was to identify Camas' strengths and understand what citizens value about Camas today. The purpose of the second round of outreach efforts was to validate the draft vision statement. On January 8, 2015, at the second vision summit, the participants discussed the survey results, and affirmed that the draft vision was a true reflection of their input. At the Planning Conference, Council discussed the vision statement and recommended amendments. The attached statement includes those recommendations.
