<b>Title:</b>	<p>Modify Equipment Rental Rate Setting Details: Currently the City code requires every time a rate is changed for the Equipment Rental Fund, City Council approve the new rate through a resolution. In the continuing effort to streamline the budget process, staff recommended that City Council consider including the rates as part of the City Fee Schedule. The City Fee Schedule is a component of the budget process and part of the annual consideration. Any changes to the Equipment Rental Rates would be pointed out and discussed. This consolidated fee process would eliminate a separate presentation and resolution adoption. Presenter: Cathy Huber Nickerson, Finance Director</p>
