Type:	Informational Report	Status:		Status:	Meeting Item
File created:	6/8/2015	In control:		In control:	CITY COUNCIL WORKSHOP
On agenda:	6/15/2015	Final action:		Final action:	
Title:	<p>Interlocal Contract with Houston-Galveston Area Council (H-GAC) for Purchase of a Fire Pumper Details: The Camas-Washougal Fire Department is preparing to purchase a new fire pumper to replace aging apparatus that have become too expensive and outdated to operate. H-GAC is a governmental organization that Washington cities such as Seattle, Bellevue and Anacortes use to purchase city vehicles. The process is similar to "piggybacking" on another agency's bid. Signing a contract with H-GAC will allow staff to buy the City's new fire pumper in a more expedient manner for less cost than would be available through other methods. Presenter: Nick Swinhart, Fire Chief and Cathy Huber Nickerson, Finance Director</p>
