<b>Title:</b>	<p>Parking Advisory Committee Recommendation</p> <p>Details: The Downtown Parking Advisory Committee met on September 9, 2015. The committee voted unanimously to recommend to Council one parking time limit change to one space in the downtown core. There are currently two 10-minute parking spaces on the block of NE Cedar Street between 4th and 5th Avenues. One of these spaces is the northernmost spot on the east side of the road. The 10-minute time limit for this space was originally requested by the adjacent liquor store owner. There is now an acupuncture business adjacent to this spot. The recommendation from the committee is to change the parking time limit of this space to 3 hours.</p> <p>Presenter: James Carothers, Engineering Manager</p>
