

## Legislation Details (With Text)

<b>File #:</b>	REP 15-611	<b>Version:</b>	1	<b>Name:</b>	Water - Hydrogeologic Support Services
<b>Type:</b>	Informational Report	<b>Status:</b>		<b>Meeting Item</b>	
<b>File created:</b>	12/14/2015	<b>In control:</b>		<b>CITY COUNCIL WORKSHOP</b>	
<b>On agenda:</b>	12/21/2015	<b>Final action:</b>			
<b>Title:</b>	<p>Water System Hydrogeologic Support Services Contract Amendment</p> <p>Details: The City has had a long-term contractual relationship with Pacific Groundwater Group (PGG) for on-going maintenance of groundwater monitoring stations and technical assistance in managing the City's groundwater sources for both short- and long-term needs. At the request of City staff, PGG has prepared the attached Scope of Work in the amount of \$15,000 to continue maintenance of the City's existing groundwater monitoring stations and provide other technical support on an as-needed basis. The amendment amount includes work already completed in regards to the Steigerwald Wellfield Environmental Review Update and assistance regarding the 2015 Washington State Drought. Both of these tasks were beyond the work included in their current agreement. There is sufficient budget in the 2016 Water/ Sewer Fund Professional Services line item to support this effort.</p> <p>Presenter: Steve Wall, Public Works Director</p>

**Water System Hydrogeologic Support Services Contract Amendment**

Details: The City has had a long-term contractual relationship with Pacific Groundwater Group (PGG) for on-going maintenance of groundwater monitoring stations and technical assistance in managing the City's groundwater sources for both short- and long-term needs. At the request of City staff, PGG has prepared the attached Scope of Work in the amount of \$15,000 to continue maintenance of the City's existing groundwater monitoring stations and provide other technical support on an as-needed basis. The amendment amount includes work already completed in regards to the Steigerwald Wellfield Environmental Review Update and assistance regarding the 2015 Washington State Drought. Both of these tasks were beyond the work included in their current agreement. There is sufficient budget in the 2016 Water/ Sewer Fund Professional Services line item to support this effort.

Presenter: Steve Wall, Public Works Director

Recommended Action: Staff recommends this item be placed on the January 4, 2015 Consent Agenda for Council's consideration.
