File #:	REP 16-076	Version:	1	Name:	Wetland Maintenance & Monitoring Agreements
Type:	Informational Report	Status:		Status:	Meeting Item
File created:	3/1/2016	In control:		In control:	CITY COUNCIL WORKSHOP
On agenda:	3/7/2016	Final action:		Final action:	
Title:	<p>Wetland Maintenance and Monitoring Agreements Details: The Wetland Maintenance and Monitoring Agreements are multi-year contracts to meet wetland mitigation requirements associated with roadway improvements on NW 38th Avenue Phase 2, NW Leadbetter Drive and NW Friberg-Strunk Street. Maintenance and monitoring are requirements of the Corps of Engineers permits for each site. There will be four separate contracts for Council authorization. The contract work for 2016 is funded by the stormwater utility and is in the 2016 budget. The total cost of the work for 2016 is \$160,000. Presenter: James Carothers, Engineering Manager</p>
