<b>File created:</b>	3/29/2016	<b>In control:</b>		<b>In control:</b>	CITY COUNCIL REGULAR
<b>On agenda:</b>	4/4/2016	<b>Final action:</b>		<b>Final action:</b>	4/4/2016
<b>Title:</b>	NW 6th Avenue and NW Norwood Intersection Improvements Contract Bid Details: Staff opened bids for this project on Tuesday, March 29, 2016, and the apparent low bidder was McDonald Excavating, Inc. The bid tabulations are attached for Council's information. The Base Bid with Additive Alternate No. 1, which is the least expensive possibility for awarding the project, is \$1,943,821.73. The other potential award amounts are the Base Bid plus Additive Alternates No. 1 and No. 3 at a cost of \$2,036,856.73; the Base Bid plus Additive Alternate No. 2 at a cost of \$2,107,496.73; and the Base Bid plus Additive Alternate No. 2 and No. 3 at a cost of \$2,200,531.73. Staff does not recommend in any scenario the selection of Additive Alternate No. 2, Cement Concrete Pavement in the roundabout, due to the high cost and lack of funding availability. Staff will provide a detailed summary of the project costs and potential options for awarding the project, including a review of the attached NW 6th Avenue Corridor Revenue and Expenditure Summary. Presenter: Steve Wall, Public Works Director
