Title:	<p>Consideration of Bids Received for the 544' Zone Water Main and Treatment/Water Transmission Main Project, Phase 2.</p> <p>Details: Bids were opened on May 31, 2016, for this water transmission main project that spans from NE 292nd Avenue and Stauffer Road to NE 312th Avenue and Ireland Road. Two bids were received. The low bidder, McDonald Excavating, Inc. did not submit two documents on the bid submittal list. McDonald's bid is \$1,523,360.50. Tapani, Inc. was the other bidder at \$1,723,200 and submitted all documents on the bid submittal list. McDonald failed to submit the list of all subcontractors, including certain information and the "Certification of Non-Segregated Facilities form. Staff believes these omissions constitute a minor irregularity. This project is part of a group of projects funded by a Drinking Water State Revolving Fund (SRF) Loan through the Washington State Department of Health (WSDOH).</p> <p>Presenter: James Carothers, Engineering Manager</p>
