<b>Title:</b>	<p>Camas-Washougal Fire and Emergency Medical Services (EMS) Interlocal Agreement (ILA) Update Details: The ILA between the City of Camas and the City of Washougal has been in place since 2014. Section 16.8 of the ILA states that Camas will calculate the net costs allocable for the prior year based on actual amounts for the allocation factors of the prior year. Due to the timing of the allocation factors available, and closing of the prior year's accounting records, it is administratively more feasible to use two years to "true-up" the settlement between Camas and Washougal. The two cities agreed to the two-year settlement and are operating accordingly. This update brings the ILA into compliance with actual operations.
