Title:	<p>Interlocal Agreement with Clark County for Roadway Improvement Projects Details: The Camas School District is currently developing three separate parcels within the City limits that front a roadway, or public right-of-way, adjacent to the City limits but located within Clark County. The roads are located within the City of Camas Urban Growth Area (UGA) and the City has intent to annex the roadways. The school district has received land use approval through the City's development process and is required to make improvements to the adjacent roadways. The attached Interlocal Agreement allows the right-of-way and roadway improvement projects to be processed through the City, including design and engineering plan review, permitting, construction oversight, operations, and maintenance of the new and existing public use facilities which are partially located within County right-of-way. The exhibits to the agreement include a description of the work to be completed and a map depicting the locations. Presenter: Steve Wall, Public Works Director</p>
