File created:	3/6/2018	In control:		In control:	CITY COUNCIL WORKSHOP
On agenda:	4/2/2018	Final action:		Final action:	
Title:	<p>National League of Cities Service Line Warranty Program Details: Details: Staff was approached by a representative from Utility Service Partners, Inc. regarding the National League of Cities Service Line Warranty Program. The program offers an optional warranty to homeowners within the City for a monthly fee that covers repairs or replacements for the portion of the water and sewer service lines that are the homeowner's responsibility. A representative from Utility Service Partners, Inc. provided additional information regarding the program. Presenter: Steve Wall, Public Works Director</p>
