Title:	<p>North Shore Waterline Proposed Latecomer Agreement Details: Working with the City, the Camas School District (CSD) completed waterline improvements on NE Leadbetter Road between N Adams Street and NE 9th Street. The waterline improvements were designed and constructed as part of the North Shore Sewer Transmission Project, but primarily paid for by CSD and will benefit parcels on the north side of Lacamas Lake that are currently undeveloped. In accordance with Revised Code of Washington (RCW) Chapter 35.91, the CSD has requested to enter into a Latecomer Agreement with the City. Staff reviewed the draft agreement, latecomer charge methodology and the proposed latecomer agreement approval process with Council.
