Camp Lacamas Step Sewer Project Shoreline Substantial Development Permit Application  
 Details: The City of Camas has filed an application for a Shoreline Substantial Development Permit and Shoreline Conditional Use Permit (City File No. SHOR17-04) to install a new Septic Tank Effluent Pumping (STEP) system and sewer line to serve Camp Lacamas within a shoreline area that is designated "Urban Conservancy". The project is located approximately 160 feet south of Lacamas Creek and east of NE Goodwin Road.

Presenter: Lauren Hollenbeck, Senior Planner

Recommended Action: Staff recommends that the Shoreline Management Review Committee open the public meeting, review the application, deliberate, request clarification (if any) and render a local decision that will be forwarded to the Department of Ecology for a final decision after a 14-day local appeal period.
