### Resolution No. 15-002 Adopting the Camas Vision Statement

Details: Approve the Camas Vision Statement, which is the product of hundreds of community members who participated in Camas 2035 outreach activities. The purpose of this outreach was to create a vision that captured what citizens' value most about Camas today, while planning for what Camas will be in twenty years. The vision statement will act as the cornerstone of the periodic update to the comprehensive plan document, which must be finalized by June 2016.
