Authorized the Mayor to sign the Commercial Industrial Custom Project Program Participation Agreement with Clark Public Utilities (CPU) for the City's Wastewater Treatment Plant UV and Blower Control Upgrade Project. The Agreement will allow CPU to provide the City with the estimated \$77,403 energy efficiency incentive for the project that was discussed with the City Council multiple times in 2014. The final incentive amount will be based on actual energy savings to be measured and verified after project completion. (Submitted by Steve Wall)
