Authorized the Mayor to sign the Amended Interagency Agreement and Funding Authorization Forms from the Washington State Department of Enterprise Services (DES) for the Light Emitting Diode (LED) Street Lighting Upgrade Project. The authorization forms reference the attached Project Energy Services Proposal, or scope of work, which was reviewed with City Council in September 2014 and at the 2015 Planning Conference. Approval of the attached agreement and forms will authorize DES to move forward with the project on behalf of the City. The project was included in the adopted 2015/2016 Budget and the recent Limited Tax General Obligation (LTGO) Bond Issuance. (Submitted by Steve Wall)
