Resolution No. 15-010 Prohibiting Parking Along Either Side of State Route (SR) 500 / NE Everett Street Between NE 14th Avenue and NE 22nd Avenue; and Allowing Parking on a Portion of NE 15th Avenue for SR-500 Safety Improvements

Details: The prohibition of parking on Everett Street provides the means for Washington State Department of Transportation (WSDOT) to complete their SR-500 Safety Improvements Project. The project consists of re-striping the roadway with one through lane in each direction, the addition of a bicycle lane in both directions and a center two-way left turn lane. The resolution also lifts parking restrictions on NE 15th Avenue near the southeast corner of Crown Park to offset the displacement of Everett Street parking for playground usage.

Presenter: James Carothers, Engineering Manager

Recommended Action: Staff recommends Council move to adopt Resolution No. 15-010
