Water Treatment Plant (Slow Sand Filter) Bid

Details: On February 19, 2015 construction bids were opened for Project WS-709C Slow Sand Filter Water Treatment Plant. The apparent low bidder is Rotschy, Incorporated with an overall bid of \$5,766,978.20. The funding plan and the effects to water rates and future projects were presented to Council at the April 6, 2015 Workshop. If Council favors moving forward with the construction of this project, there is an irregular bid formality to be addressed. Staff provided additional details regarding the bidding irregularity and process during the Council Meeting.

Presenter: James Carothers, Engineering Manager

Recommended Action: Staff recommends that Council waive the irregularity and move to award Rotschy, Incorporated the lowest responsive bidder.
