File #: AI 15-169, **Version:** 1

Authorized the Camas-Washougal Fire Department Fire Chief to sign the revised Clark County Mutual Aid Agreement for Fire and Emergency Medical Services (EMS). This document provides for the sharing of resources and for assisting neighboring fire and EMS agencies. In 2014, the Clark County Fire Chiefs Association revised this document and now all fire chiefs are being asked to sign the new agreement. This was discussed at the Council Workshop of April 6, 2015.
