NW 6th and Norwood Intersection Improvements

Details: The City entered into a contract with HDJ Design Group in 2014 for the design of a traffic signal at NW 6th and Norwood. Staff has been instructed by Council to consider a roundabout as an alternative to a traffic signal at this location. It was determined that HDJ will provide the 30% design of the roundabout prior to a late spring open house event. This contract amendment provides for the additional cost to achieve the 30% design of the roundabout. The total cost for this preliminary design is \$39,912.00. A balance of \$15,347.83 remains of the original contract amount of \$50,075.00. To complete the 30% design of the roundabout, an increase of \$24,564.17 is needed, bringing the new contract total to \$74,639.17.

Presenter: James Carothers, Engineering Manager

Recommended Action: This item has also been placed on the April 20, 2015 Consent Agenda for Council's consideration.
