Six-Year Street Plan

Details: The Six-Year Transportation Program, also known as the Six-Year Street Plan, is to be updated by municipal agencies annually per Revised Code of Washington (RCW) 35.77.010. Projects from the current Capital Facilities Plan, Transportation Impact Fee Study Update and the North Dwyer Creek Master Plan are included in this plan as well as safety and maintenance and preservation items. Projects are dropped from the list annually once the construction phase has started and is fully funded. The initial draft list and map are provided for Council's review and comment. The appendices identify the coding on the list.

Presenter: James Carothers, Engineering Manager

Recommended Action: Staff recommends Council set a date for a public hearing to be held on June 1, 2015.
