Details: The City has been using Pacific Groundwater Group (PGG) over the last few years for on-going maintenance of groundwater monitoring stations and technical assistance in managing the City's groundwater sources for both short-and long-term needs. PGG has prepared the attached Scope of Work in the amount of \$20,000 to continue maintenance of the City's existing groundwater monitoring stations and provide other technical support on an as-needed basis. There is sufficient budget in the 2015-2016 Water/Sewer Fund to support this effort.
