Workshop on Camas 2035 Comprehensive Plan Update

Details: This workshop provided for the status of the Camas 2035 Comprehensive Plan project. Staff highlighted a few proposed goals and policies of each of the draft elements of the comprehensive plan and asked for discussion and direction from the Commissioners. The draft elements discussed were on land use, housing, natural environment, and economic development.

Presenter: Sarah Fox, Senior Planner

Recommended Action: Staff requests Planning Commission direction on draft goals and policies.
