### Utility Tax Update and Discussion

Details: Staff briefed Council regarding public outreach efforts, as well as public responses to the current proposal of a Utility Tax of 1% on cable and telephone utilities, and 3% on storm water and solid waste utilities.

Presenter: Cathy Huber Nickerson, Finance Director

Recommended Action: Staff recommends this item be placed on the November 21, 2016 Workshop Agenda for discussion; and further recommends Council set a date for a public hearing to be held on November 21, 2016.
