### Public Hearing on Urban Tree Program

Details: The City was awarded a grant from the State of Washington Department of Natural Resources (DNR) to develop an Urban Tree Program. The grant period runs until May 31, 2018, and is a 50 percent cost share with the City. The work on the project included: current zoning diagnosis; a public survey, outreach during Camas Days 2017, working with an ad hoc committee of citizens on code drafts, updating the Design Standards Manual with street tree species; and creating outreach materials that will increase the public's knowledge of tree care and the new ordinance. Staff conducted workshops with the Commission on October 17th, December 12th, and March 20th.

Presenter: Sarah Fox, Senior Planner

Recommended Action: Staff recommends that Planning Commission conducts a public hearing, deliberate and forward a recommendation of approval for full adoption of the Urban Tree Program to City Council.
