Public Hearing Considering the Six-Year Transportation Improvement Program for Years 2019 Through 2024

Details: The Six-Year Transportation Program, also known as the six-year street plan, is to be updated by municipal agencies annually per Revised Code of Washington (RCW) 35.77.010. Projects from the Capital Facilities Plan, Transportation Impact Fee Study Update and the North Dwyer Creek Master Plan are included in this plan as well as safety and maintenance and preservation items. Projects are dropped from the list annually once the construction phase has started and is fully funded.

Presenter: James Carothers, Engineering Manager

Recommended Action: Staff recommends that Council conduct a public hearing, deliberate on comments and recommended changes, and direct the City Attorney to prepare a resolution adopting the desired changes to the Six-Year Transportation Improvement Program at the June 18, 2018 Regular Council Meeting.
